The International Peace Project²⁰⁰⁰ (IPP) acknowledges with thanks the inspiration provided by the Global Undergraduate Awards website at <https://undergraduateawards.com/> which helped inform the structure of the IPP Peace Games website and the link to the software specialist company, Award Force Ltd. Naturally, IPP takes sole responsibility for its own website at www.ipp2000.uk and the way that has been designed and configured. These two educational bodies are not linked.

Likewise, IPP has from its very beginnings on 28 June 2000 aspired to be an educational counterpart to the Olympic Games. In particular, the IPP Peace Games 2020 have been influenced by the fact that the Olympic Games are to be based in Japan and known as the Tokyo Olympics 2020 (despite having had to be postponed to July 2021 because of the coronavirus pandemic). While the Peace Games 2020 are not part of the Tokyo Olympics both seek to encourage a climate of peace.
